h@ms Marketing Services Co-op Celebrates Grand Opening

Headingley, Manitoba, July 12, 2013 - **h@ms Marketing Services Co-op** held the Grand Opening of their new Headingley Head Office on Tuesday, July 9th from 1:00 to 3:30 p.m. Producers and Industry personnel enjoyed Pork on a Bun and toured the new 4025 square foot facility.

Headingley Mayor Wilf Taillieu welcomed **h@ms** to the community. **h@ms Marketing** President, Brad Rodgers thanked staff for their planning and facilitation of a smooth transition from their previous location at 750 Marion Street to the new location. The move was accomplished with no disruption of service to Producers. President Rodgers further explained that the move brings **h@ms** out of Winnipeg and closer to their primary producers.

General Manager, Perry Mohr thanked all parties involved in the construction project for a job well done. Mr. Mohr stated that it was a difficult decision to relocate the Head Office given the history and nostalgia of the old location, which the organization had occupied since 1968. Mohr went on to say that the new office has been decorated with black and white photos of the old facility along with pictures of historical significance that will remind current and future staff members of **h@ms'** roots.
